Dear Ed:

As a follow-up to our recent telephone conversation, please identify the comprehensive general liability policy(ies) carried by Reilly Tar during the years of its operation in St. Louis Park. As we discussed, comprehensive general liability policies generally did not exclude environmental pollution coverage until approximately 1970.

As we discussed last Thursday, August 19, 1982, you will identify the author(s) of Minnesota Exhibit Nos. 5 through 8, marked at the deposition of Mr. Finch.

Thank you for your cooperation in arranging the depositions of Messrs. Justin, Leshar and Hennessey in Indianapolis during the week of October 11, 1982. We would like to begin the deposition of Mr. Justin at 9:00 a.m., Monday, October 11, 1982. We will thereafter examine Mr. Leshar and Mr. Hennessey. Our understanding is that you will arrange for Mr. Hennessey to appear at the deposition, without the need for us to issue a subpoena. I expect that the depositions will extend through Friday, October 15, 1982.

Very truly yours,

DENNIS M. COYNE  
Special Assistant  
Attorney General
